CIRG will be providing an Unmanned Aerial System (UAS) capability demonstration [REDACTED] This briefing/demonstration will be conducted at [REDACTED] and will include [REDACTED] currently available for deployment. [REDACTED] will also be providing a second demonstration in [REDACTED] date to be provided in the near future.

b7E

The purpose of this capability demonstration/briefing is to familiarize FBI senior leadership with this technology, and with the limitations associated with operating these systems. As part of this demonstration [REDACTED] will provide a briefing to underscore existing legal and regulatory restrictions, as well as anticipated future changes in the regulatory environment. Attendees will also be provided a full "continuum of capability" briefing, which will illustrate the specific

and limited role these systems play in the overall surveillance mission set. The demonstration will also highlight the capability of [redacted] There will be an opportunity for attendees to observe a direct comparison of UAS video capability with that from existing manned surveillance aircraft. Attendees will also have the chance to operate a system if they are interested in doing so.
